

**Message no.175 (Apparition no.36) on Thursday, 8/28/2014 @ 3:05 A.M.**

The Visionary (V) was suffering and in great pain, in a manner unlike anything since the Blessed Mother began to communicate with her six years ago (The V is a victim soul). She was praying the 'Chaplet of The Divine Mercy', when the usual colorful lights began to shine, signaling the apparition of the Blessed Virgin Mary. The display of lights was followed by the appearance of the usual halo of light, which began to expand until the Blessed Mother emerged from the light. She was wearing Her classic blue and white attire and stood at about two feet above the floor, at the right corner of where the Icon of 'Our Lady of The Cape' is on display along with the other Sacramentals. According to the V, the Virgin Mary displayed a sad expression and spoke with a very sad voice.

The V, with eyes full of tears, of joy at the sight of the Blessed Mother and of pain at the sorrow of the Mother of God, knelt in front of the Virgin Mary, who communicated to the V the following most serious message:

“My esteemed daughter, why are the people frustrated and wondering about why my Son is not performing and showing His miracles?

How come that this world is questioning the whereabouts of Jesus and His miracles?

“Sin has arrived, arrived, arrived! All these things (The evil that is rampant in the world) that are happening, is because of sin; and the sins of this world have reached Him (God The Father).

“This world is going to witness more serious events, and will experience tribulations that are WORSE THAN THE FLOOD! (Noah's).

Where are the people, the people, the people, to return to my Son?

Have I not been speaking and calling upon you to return to Him, to my Son and His Father?

“O people, O people, O people; O hearers, O hearers, O hearers, COME AND RETURN BEFORE THE TIME PASSES! (The time of Grace).

“Many people, at the time of His coming, the coming of my Son, which is getting closer, closer and closer; THESE PEOPLE WILL BOW TO THE GROUND, BUT THE TIME WOULD HAVE PASSED! (The time of Grace).

“How do you expect my Flesh and Mind to be happy, when I am suffering for the whole world? Just like the heart of a mother suffers and goes after her own children, when she sees them in the midst of a trouble. How then should my Flesh react, since all these people are my children?

“My Heart is burning and aching for the return of this world to my Son and His Father.”

The light slowly dimmed and the Virgin Mary disappeared.
